PANEL PREP aerosol
TECHNICAL DATA SHEET

Stock	Product	Colour	Size
SPPV / 24048	Panel Prep, aerosol	Clear	510 g / 18 oz

DESCRIPTION:

Panel Prep (SPPV) is a VOC compliant, high quality surface cleaner. Panel Prep lifts contaminants off the surface making them easier to remove. Panel Prep is designed for use in both initial and final surface preparation.

FEATURES:

- Ready to spray
- Unique foaming action
- Removes wax, grease, dirt and oils
- Removes sanding residue
- Use on plastic, metal and painted surfaces

DIRECTIONS FOR USE

APPLICATION:

1. Agitate can thoroughly and apply directly to the surface or soak a clean cloth with Panel Prep. Apply sufficient material to penetrate and lift the contaminants from the surface.
2. Wipe surface using Panel Prep then wipe the surface dry with a clean, dry, lint free cloth before Panel Prep dries. To prevent cross contamination, change cloths frequently.
3. Panel Prep should not be allowed to air dry on the surface. If this occurs, then re-apply Panel Prep using a clean cloth and wipe dry.

All figures, recommendations and safety precautions are based on thorough investigations and our actual experience and are without engagement. Although the documentation has been set up with most carefulness, we do not accept any responsibility for mistakes, inaccuracies or printer's errors. We reserve the right to adjust the product, whenever we feel necessary. Because the design, the quality of the substrate and the conditions during application fall beyond our control, no responsibility for executed works can be accepted on the basis of this documentation. We therefore recommend to carry out own tests on the spot.
