

NO DRIP RUSTPROOFING

In 4 convenient sizes, jugs, pails and drums

Dominion Sure Seal NO DRIP is a premium quality rust proofing/rust inhibitor for use on both new and older vehicles. It has a new fresh scent.

A unique oil based formula used for annual rust proofing applications. Common areas of application include interior cavities, inner rocker panels, pillars, doors and frames. Can also be used on the under-side of vehicles. Superior tackifiers for added adhesion to all metal surfaces.

NO DRIP protects against rust, salt and corrosion. It resists rock and gravel abrasion. **NO DRIP** will not run, drip or sag. **NO DRIP** is no muss, no fuss and has excellent rust inhibiting properties.

Features:

- Unique No-Drip formula / Easy to apply
- Superior tackifiers offer superior adhesion
- Incredible capillary action to penetrate seams, pinch-welds and hard to reach inner cavities
- Minimal Over spray
